

# BluTouch™

## NITRILE EXAM GLOVES

**Powder Free + Non-Sterile + Single Use Only + Textured Fingertips**

**Ambidextrous + Disposable + For Medical Use**

**NOT MADE WITH NATURAL RUBBER**

**Storage:** Store in cool, dry place, and avoid excessive heat above 104°F (40°C).  
 Opened box should be kept away from direct sunlight or fluorescent lighting.  
 High-quality nitrile gloves offer an exceptional biological barrier.

**Intended Use:** Gloves are intended for medical purpose that is worn on the examiner's hand to prevent contamination between patient and examiner.

**Caution:**

- Components used in the manufacturing of gloves may cause allergic reaction in some users. Persons with known sensitivity should avoid contact.
- Gloves provide a good biological barrier and are intended to be used as a chemical barrier.
